

Help us Plaster it Purple!

**Glasgow
Children's
Hospital
Charity**

We want to Plaster it Purple to show everyone just how special our hospital is, and we need your help!

Colour in our wee hospital hero and share your artwork using #PlasterItPurple. Don't forget to tag @GCH_Charity so that we can show all of our supporters!

Thanks to our friend Neil Slorance for the original drawing of our wee hospital hero.
